WHEATON SEMINARY

FOR YOUNG WOMEN.

NORTON, MASS.

The 65th Year begins Sept. 13th, 1899.

Regular and elective courses, literary, scientific, classical and college preparatory. Advanced courses for high school graduates and others not wishing full college course.

The regular course of study covers four years. Pupils can enter the Preparatory Department, or join such classes as they are fitted to enter, without pursuing the full course. In all branches the instruction is systematic and thorough, and is accompanied by familiar lectures. It aims to cultivate breadth of thought and accuracy of expression by careful individual training. Appropriations are made for lectures on scientific, historical and literary subjects. Private lessons in Vocal Music, Drawing and Elocution are given to advanced and special students; French and German are spoken in the class-room and at the dining-table.

The limited number of pupils permits that familiar personal intercourse with the teachers upon which the formation of correct habits so largely depends. The school aims to furnish, by its course of study, the best facilities for a full and symmetrical development of mind and character. Since the highest culture must be founded on an earnest faith in the Bible, it is the endeavor of the teachers that a constant and pervasive Christian influence shall be felt throughout the school. Special care is given to health and physical culture.

The Seminary Hall contains spacious recitation rooms, cabinets, laboratory, studio, library and gymnasium, all arranged to secure good light and ventilation. The Home is separate from the Hall; its rooms are well ventilated and attractively furnished. Both buildings are heated by steam, and sanitation is perfect.

The town is pleasant and healthful, and furnishes peculiar advantages for a girls' school. Its quiet and secluded situation affords opportunities for varied out-of-door exercise, and permits greater freedom than would be otherwise possible. Yet it is but 28 miles from Boston, with its musical, literary and other advantages.

The entire annual charge for board (including room, fuel, lights and washing) and for tuition (except special lessons in elocution, music and drawing) is \$350.

By arrangement with the President or Trustees, the tuition of daughters of Clergymen and Missionaries may be remitted.

Board of Trustees: A. H. Plumb, D. D., Boston (President); S. V. Cole, D. D., Norton (Secretary); Mr. Edwin Barrows, Providence (Treasurer); Mr. Samuel Johnson, Boston; Mr. James W. Hervey, New Bedford; Hon. Wm. H. Fox and Jas. G. Vose, D. D., Providence; Mrs. A. A. Lincoln, Wollaston; Miss Annie M. Kilham, Beverly.

This University was founded by Gen. O. O. Howard for all peoples under the sun. It has among its pupils Asiatic, West Indians, North American Indians, Anglo-Saxons and Afro-Americans. It welcomes all such to-day.

DEPARTMENTS.

It has seven distinct Departments under sixty competent Professors, Instructors and Lecturers: Theological, Medical, including Dental and Pharmaceutical courses, Legal, College, Preparatory, Normal, and Industrial which includes Printing, Carpentry, Bookbinding, Tinning and Sewing.

EXPENSES.

There is no charge for tuition in the Theological, Law, College, Preparatory, Normal and Industrial Departments. Students in these departments are charged for room-rent, and if they board in Miner Hall, \$8 per month for board.

LIBRARY AND READING-ROOM.

Students have the use of the College and Theological Law Libraries and a well-furnished Reading-room.

NEEDS.

This University is largely supported by the gifts of the benevolent; its Theological Department by the A. M. A. While its Theological students have aid from personal friends and different benevolent societies, there is always a call for larger benefaction in aid of indigent students. Any money in aid of individuals sent to the President, or the Treasurer, will be judiciously expended.

CHRISTIAN, BUT UNDENOMINATIONAL.

This institution is always emphatically Christian. Its Instructors believe in Christianity as the only basis of true culture; but pupils here are given no denominational bias.

SELF-HELP.

Nearly all the students are able in Washington City to do something for self-help. The Government Departments, Hotels and Boarding Houses and Private Families are constantly seeking for faithful service from the University. For Catalogues, address

of Georgia — the largest Negro school population of any State — are being taught by more teachers who have had thorough Normal and Collegiate training in Atlanta University than by teachers similarly trained elsewhere. Seventy per cent of the Negro teachers in the Atlanta public schools are its graduates. The Superintendent of the Atlanta schools says: "We have tried other teachers from other schools and colleges, and in proficiency they fall far below the Normal School graduates of Atlanta University."

The Institution now has only one third the endowment for salaries and all other current expenses that it has for scholarships and maintenance of library; yet the need for the former is vastly greater than for the latter. For the special objects named, we could use to advantage three times as much as we have, but for general endowment we need *fifty times* as much as we have, or \$500,000. Bequests should be made to "The Trustees of the Atlanta University," in Atlanta, Ga., and attested by three witnesses.

NOTE.

“Every church and every minister upon the rolls of the denomination” is entitled to share in the distribution of the YEAR-BOOK. For this very practical purpose, “the rolls of the denomination” must be assumed to be the tables and list of the YEAR-BOOK, and the claim of any church or minister to receive it, errors excepted, does not arise until such church is found in the YEAR-BOOK’S tables, or such minister’s name is enrolled and printed in its “List of Congregational Ministers” here reported and printed. To purchasers, the price is \$1.00; or, in cloth, \$1.25. Those entitled to receive it who prefer a cloth binding can have it in that form by sending 30 cents to

REV. HENRY A. HAZEN,

611 CONGREGATIONAL HOUSE,

BOSTON, MASS.,

OR, AUBURNDALE,

to whom all correspondence relating to the YEAR-BOOK should be addressed, NOT to the Publishing Society. It is not safe or sufficient to say “Congregational House” only, as it has many rooms and occupants.

A pastor, who has resigned his active service, does not lose his claim to the YEAR-BOOK. It is due to “every minister upon the roll.” A church is not entitled to two copies, one for itself and one for its minister, as is often assumed; but to its one copy. The roll is new every year, and a minister’s name has no place on it simply because it was in the *last* YEAR-BOOK. It is to be reported each year, either by the church he is serving or by the conference or association of which he is a member, and which is responsible to the churches for record and report of his good standing.

INTRODUCTORY.

Idaho made its report in January. Sixteen States reported in February: Oregon, New Hampshire, Nevada, Maine, North Carolina, Michigan, Montana, Arizona, Rhode Island, Vermont, West Virginia, Nebraska, Ohio, Colorado, Alabama, and New Mexico. Five reports came March 1: Louisiana, Massachusetts, New Jersey, New York, and Utah. Sixteen States followed in March, and six in April, the latter being Georgia, Kansas, Connecticut, Kentucky, Arkansas, and Minnesota, received April 24. Some of these States are sure to better their time next year, and the editor does not lose his faith that all will be heard from in March. That will mean a Year-Book very near May 1.

The suggestion, made in this place last year, of the need of greater care on the part of local reporters of the names and post-offices of ministers, needs repetition, and with emphasis. One local reporter sent in a name recently, with a residence of which the editor was suspicious. In reply to a question, he said frankly, that he knew nothing about the man, adding, that he might have been in heaven for ten years, so far as he knew. Not many Year-Book reporters take such a view of their responsibilities, but there are some who do not appreciate the care and accuracy which they owe to the churches in their reports. The last Year-Book is never to be taken as authority for a minister's post-office, without reasonable and renewed assurance that its record is still true.

There are secretaries to whom the editor looks with confidence for report of the death of any minister whose name is on their list; and as the date of issue of the Year-Book approaches, for any recent changes. The comfort which this aid gives is very great.

It is worth adding here, that a slip occurred in the date on this page last year, a "2" dropping from the form after the proof was passed, and making the "22" appear as "2." We have not gained much time this year, but we have not lost three weeks. They can be gained next year.

THE INTERNATIONAL CONGREGATIONAL COUNCIL,

P. O. Address of the above, Congregational House, Boston, Mass.

District Secretaries. — CHARLES C. CREEGAN, D. D., Congregational Rooms, 4th Ave. and 22d St., New York City. Rev. A. N. HITCHCOCK, Ph. D., 153 La Salle Street, Chicago, Ill. Rev. WALTER FREAR, General Agent, Y. M. C. A. Building, San Francisco, Cal.

This honored foreign missionary society, once the agent of several denominations in the United States and the pioneer of all, is now the accredited agent of the Congregational Churches. These churches have become famous for their far-seeing policy of church and educational work in connection with the Redeemer's kingdom. In no particular have they been surpassed in their benevolences. At the beginning, the interest in the work of the Board was limited but deep. There was struggle for a place of effort and it was hard to gain a foothold. To-day it is impossible, with the means at command, to seize the multitudinous opportunities in twenty missions of the Board. These missions are located: four in Turkey; three in Africa; three in India, including Ceylon; four in China; three in Papal lands, and one each in Japan, Micronesia, and Hawaiian Islands.

The residences of the missionaries are found in 101 stations; the ministry of the gospel in church or school is in 1,271 out-stations. The work is carried on in some 27 different languages. There have been sent out from our churches from the beginning nearly 2,500 missionaries, of whom 539 now remain in the consecrated service. Associated with them are to be found 2,975 preachers, teachers, catechists, evangelists, and Bible readers, elected to the good work from the native Christians and educated under the Board. There were added on confession of faith the large number of 4,652 persons to the 465 churches, thus swelling the total membership to 47,023. In these missions, as in America, the Christian schools play no little part in the work of evangelization. The schools, embracing every grade from the Theological Seminary to the kindergarten, number 1,270, enrolling about 56,600 students. This is a splendid army of the Lord if we are but faithful in the ministry of the Gospel to them. A Christian literature is an important factor in the work of the Board as is also the medical missionary department, with its work of healing, and the Sunday school and Christian Endeavor efforts among the youth who are the hope of these great nations and the Church which is to have dominion in them. In a word it is the one mission of the Board to propagate the Gospel in all the world by these varied ministries.

Looking back upon the year now gone there is one great disappointment; namely, the churches have failed to support the work in an adequate way. This has required curtailment in the midst of opportunity, and the painful and undesired burden of debt. Now the Board is set for a Forward Movement, earnest, aggressive, inspiring, if all will enter upon the effort. Every pastor, every church, every individual disciple, — this is the order of influence and leadership. Information and consecration are the helps which Christ honors.

The auxiliaries to the American Board are: (1) The W. B. M., — Woman's Board of Missions, Congregational House Boston, Mass. (2) W. B. M. I., — Woman's Board of the Interior, 59 Dearborn Street, Chicago, Ill. (3) W. B. M. P., — Woman's Board of the Pacific, Y. M. C. A. Building, San Francisco, Cal.

Two things have marked the last year: First, religious awakenings in most of the mission fields; secondly, lack of support at home by about \$130,000.

Attention is called to the *Missionary Herald*, the *Mission Dayspring*, and *Life and Light*; also to the *American Board Almanac*, and to *Congregational Work*. Our main instrumental reliance is upon the pastors of churches, themselves full of missionary information and zeal.

STUDENT DEPARTMENT.

(Organized in 1816.)

1. PURPOSE. — To assist worthy students in colleges and theological seminaries who are educating themselves for the Congregational ministry. Few ministerial students come from homes of wealth. The great majority need financial aid while pursuing courses of study. Upwards of 9,000 have received the Society's aid.

2. NUMBER AIDED. — This year, 206.

3. AMOUNT OF AID. — Each needy and worthy student may receive annual appropriations of \$75 each. Applicants are required to reach a high degree of scholarship and general fitness, and be approved by a special committee in each institution. The scholarships thus become a leverage for elevating standards. Many students afterward refund all they receive. All are bound to repay in better service rendered to the churches.

4. DEMAND FOR MINISTERS. — Annual loss by death about equals the recruits from the seminaries; but, meanwhile, there is a net gain in the number of churches. If the supply of ministers were equal to the demand of the churches, so many would not be called from other denominations. Only by the modern training of the seminaries can men be equipped for the work of the church of to-day. The student scholarships of the C. E. S. represent the churches' faith in and claim upon the seminaries for producing spiritually endued and scientifically trained leaders.

COLLEGE AND ACADEMY DEPARTMENT.

1. PURPOSE. — To assist in the support of instructors in Home Missionary colleges and academies in the West and South. Most of these institutions are on home missionary ground, aiming at, but not having yet reached, self-support. The growth of the country in wealth and population has not yet been overtaken by that of educational institutions based upon the ethical and religious principles of the Christian religion. To help to provide such institutions is part of our work.

2. NUMBER AIDED. — 8 colleges and 16 academies.

COLLEGES.

SALT LAKE, Utah.
 ROLLINS, Florida.
 PACIFIC UNIVERSITY, Oregon.
 FAIRMOUNT, Kansas.

FARGO, No. Dakota.
 POMONA, California.

NORTH WISCONSIN, Wisconsin.
 IBERIA, Missouri.
 HULL, Iowa.
 PUGER SOUND, Washington.
 WOODCOCK, Washington.
 WARD, South Dakota.
 KINGFISHER, Oklahoma.
 GERMAN-ENGLISH, Iowa.

3. **AID GIVEN.** — Pledges towards current expenses of each approved college and academy are made by the Society as it deems wise. The institutions are required to raise the balance of such expenses on their respective home fields. Aid has been given to 22 colleges that are now strong and prosperous.

4. **THEIR IMPORTANCE.** — The colleges produce candidates for the ministry, an intelligent and Christian citizenship, and educate the leaders in the thought and life of new States and Territories. The academies are located in new regions unprovided with sufficient educational privileges. They prepare teachers for the public schools and young people for college, and afford liberal culture to many others who go forth as Christians to be the seed and strength of Home Missionary churches.

NEW WEST DEPARTMENT.

1. **PURPOSE.** — To support the mission schools and academies in Utah and New Mexico, which were formerly sustained by the New West Education Commission. The Christian teacher must precede the preacher to the Mormon and Spanish populations. Churches grow out of the schools.

2. **NUMBER SUPPORTED.** — Salt Lake College, with Gordon Academy; Proctor Academy, in Utah, and nine mission schools.

MISSION SCHOOLS.

BOUNTIFUL, Utah.
COALVILLE, Utah.
HEBER, Utah.
LEHI, Utah.

ATRISCO, New Mexico.
BARREAS, New Mexico.
SAN RAFAEL, New Mexico.
CIBERO, New Mexico.
SAN MATEO, New Mexico.

3. **AMOUNT OF AID REQUISITE.** — \$15,000 for the year.

4. **RESULTS.** — Several Congregational churches; thousands of children and youths instructed and protected from the baneful influences of Mormonism; the introduction of public schools made possible, and centres of social and patriotic influences established.

5. **MORMONISM STILL POWERFUL.** — The church organization remains unchanged; the missionaries are active at home and abroad, church schools are everywhere, and even the public school system, mainly introduced under the stimulating influences of our own work, is coming increasingly under Mormon control.

6. **MEXICANS IN THE UNITED STATES.** — A quarter of a million, most of them poor, ignorant, and superstitious.

The gifts of those who were loyal and generous supporters of the New West Education Commission are imperatively needed and earnestly solicited for the future maintenance of the schools among the Mormons and Mexicans.

RECEIPTS.

Total receipts	182,703 00

DISBURSEMENTS.

Total payments.....	\$173,845 00	
Balance on hand, the income only of which can be used ...	10,067 00	
		<u>\$183,912 00</u>

Amount of money per year requisite to the efficient prosecution of the work of the Society in all its branches, not less than \$100,000. The policy of the Society is wisely conservative. It proposes to give help where the investment is good; but it does not fail to enter new fields of assured promise. It simply asks the generous contributions of the churches by their regular methods in order to do its work and meet its increasing demands.

FORM OF REQUEST.

I do hereby give and bequeath to the "CONGREGATIONAL EDUCATION SOCIETY" the sum of — dollars, to be paid within — months after my decease, and to be applied to the uses and purposes of that Society.

 Fifty dollars constitutes an honorary membership.

OBJECTS.

To maintain, in the city of Boston, a CONGREGATIONAL HOUSE; to care for and perpetuate a library of books, pamphlets, and manuscripts, and a collection of portraits and relics of the past; and to do whatever else — within the limits of its charter — shall serve to illustrate Congregational History and promote the general interests of the Congregational churches

THE PAST YEAR.

The hope mentioned in the last Year-Book has become a fruition; the Congregational Library and the various benevolent societies took up their abode in the new house during the summer of 1898. The contrast is marked between the new and the old; the general satisfaction with our present provisions is freely and often expressed. The house is filling up with tenants, as fast, perhaps, as could be reasonably expected; about three fourths of the space available for rental is already occupied.

NEEDS.

We would again emphasize the fact that this is a national Society, which has a rightful claim on the affection and support of all loyal Congregationalists. While it is confidently hoped that the regular income from rentals will eventually free the Association from incumbrances, it must be admitted that, even apart from possible hard times, there are elements of uncertainty and risk attendant upon every undertaking like this. In its early stages, taxes, interest, and running expenses occasion great outlays with no sufficient income. Will not many friends feel it a privilege to help wipe out the debt of something like \$200,000 with which the enterprise starts?

An endowment is needed for the other department of our work, the Congregational Library. At the recent sale of the Manson library, we were forced to see many books, which would find their most appropriate place on our shelves, pass irrevocably into other hands.

Even more important for the future is the careful gathering and transmission to the library of local matter illustrating the life of each Congregational church; histories, year-books, manuals, results of councils, and the like. *Two copies of each book, pamphlet, or manuscript* should be sent, that one may be put with the church collection, and one with the subject collection. The new library will afford space for a great enlargement on these lines.

Under Pressure. — This is where our Board is continually, and expects to be, and is glad to be. It indicates growth and it gives us leverage for moving our churches. Our appeals for funds are gaged exactly by our needs, as near as we can make the different parts of that equation equal. On the 10th of March, 1899, we had twenty-eight applications, calling for more than \$50,000. At the meeting of the Board, March 15, less than \$11,000, were voted away. The balance of the applications were waiting.

The HOME MISSIONARY, a magazine published by the Society since 1828, is now issued quarterly at thirty cents a year, including postage. It gives a running account of the progress of the work in all parts of the country, largely from the pens of the superintendents and missionaries personally engaged in it. In CONGREGATIONAL WORK, the new monthly organ of the Six Congregational Societies, the pages allotted to Home Missions keep their readers in constant touch with the workers in all parts of the wide field, and present the freshest intelligence therefrom. The price is only ten cents a year. An ANNUAL REPORT sums up the results of each year. Leaflets and Tracts for the times are published as occasion calls and funds

allow, designed to help pastors, Sunday-school officers, and friends of home missions generally, in awakening and keeping alive an intelligent, practical, growing interest in the work. These may be had, free of charge, at any time, by addressing the officers of the Society at its rooms, Fourth Avenue and 22d Street, New York.

For more than seventy-two years the Society has been organizing churches in the West and South, and aiding in the support of their ministers till those churches are able to assume the whole expense. Its missionaries have from the first organized Sunday schools, provided proper teachers for them, and by watchful oversight have secured their permanence and growth into churches.

In connection with the labor of its missionaries, 6,521 churches^(a) have been organized and 2,979 have come to self-support. It has collected and disbursed in cash, \$17,965,799; and in clothing, books, and other supplies, largely the offerings of Christian women, \$2,326,670; in all, \$20,292,469. The additions to the churches have been 468,208.

The number of missionaries employed in its seventy-second year (1897-98) was 1,859, 1,304 of them in States and Territories west and south of the Middle States. They preached regularly in 2,758 stations, and at frequent intervals in many hundreds more. The number of Sunday-school and Bible-class scholars was 159,116. The additions to the churches were 9,193; 6,022 of them on confession of Christ. Churches organized, 55; reached self-support, 44.

The seventy-second year's receipts were, in cash, \$592,227.86; in supplies, \$61,718.80; in all, \$652,539.32.

In 1883, a Woman's Department was opened. Its object is to interest the women of our churches all over the country, and through them the children, more directly in the work; not to the diminishing of their helpful labor in the way of home missionary boxes (of clothing, etc.), but to secure also their gifts of money for the support of missionaries all over the country, and for various special uses, as called for from time to time. Their aid in this line is steadily growing, but much more is needed.

The Society is doing much more work than ever before among the foreign-born in all parts of the country. At nearly every meeting the Executive Committee is urged, too often in vain for lack of means, to appoint chosen men for new fields at the front, where they are greatly needed, but where their support involves heavy outlay by the Society. For securing the means essential to the carrying on of this great work the Society depends, under God, on the zealous co-operation of the pastors and members of the Congregational churches of the land. At least \$100,000 more than last year's receipts are required to carry on this work, besides an equal advance to meet indebtedness for work already done.

FIELD

Extends from the Atlantic to the Pacific, and from Florida to Alaska. It includes, in the South, the Negroes and the Whites, especially those in the mountains; in the West the Indians; on the Pacific Coast the Chinese, and in Alaska the Eskimos. Through its pupils it is reaching into Africa, China, the West Indian Islands, and Mexico.

AIM AND WORK

Include Christian education, churches, and missions among the poor and friendless of the American people. The Association originated in a general sympathy with the almost friendless slaves. In its work no un-Christian distinctions of race or color are recognized. For more than thirty years its main efforts have been devoted to the South in the endeavor to educate the freedmen for their duties as Christians and citizens, and in the development of missions and schools on the Christian anti-caste basis among the whites, especially in the vast mountain regions. As closely related to these efforts the Association seeks to convert and educate the caste-persecuted Chinese in this country and fit them to become missionaries in their own land, and to extend the blessings of a Christian civilization to the Indians of our country.

Its methods include the school, the church, the mission, the shop, and the farm.

EDUCATIONAL WORK

Includes universities, colleges, academies, normal schools, industrial schools and departments, and primary schools. Among its institutions are the following: Fisk University, Nashville, Tenn.; Straight University, Louisiana; Talladega College, Alabama; Tougaloo University, Mississippi; Tillotson College, Texas; Avery Institute, South Carolina; Le Moyne Institute, Tennessee; Ballard Normal School, Georgia. Mountain schools: Williamsburg Academy, Kentucky; Grand View Academy, Tennessee; Saluda Seminary, North Carolina; Bending Oaks Academy, Alabama. Indian schools: Santee Normal and Training School, Nebraska. Eighty-five other Normal, Industrial, Graded, and Primary Schools.

CHURCH WORK

Is a missionary service almost entirely among the very poor. In the Indian fields, it is having wonderful growth. In the Chinese fields, nearly three hundred pagans have come into the Christian life. In the Southern mountains a number of churches have been added and the interest of the people in the Congregational church life is being rapidly developed. In the Southern lowlands, also, there is a remarkable movement among the colored people towards free and pure churches. Quite a number of independent colored churches have lately come into Congregational fellowship, and the movement shows great promise, especially in the Carolinas and Georgia. The Association has well organized churches in union with its great educational institutions, influential churches in many large towns and cities as well as in the rural regions. There are widespread church missions in the form of evangelistic meetings, Sunday-school and Christian Endeavor services, home visitation, and wayside work. Everywhere the A. M. A. church work stands as a protest against superstition, heathenism, and immorality, and as a witness for a pure gospel of light and liberty.

MAGAZINE.

The *American Missionary* is published quarterly, at fifty cents a year; but will be sent gratuitously, if desired, to the Missionaries of the Association; to Life Members; to all Clergymen who take up collections for the Association; to Superintendents of Sabbath Schools; to College Libraries; to Theological Seminaries; to Societies of Inquiry on Missions; and to every donor who does not prefer to take it as a subscriber, and contributes in a year not less than five dollars.

Money should be sent to the Treasurer of the Trustees of the National Council, Rev. S. B. FORBES, 206 Wethersfield Avenue, Hartford, Conn.

Ministers rarely come from wealthy families. They earn or borrow the means of education. Their salaries barely cover expenses; their removals are frequent, especially in home missionary fields; their earning time ends early; and their death lingers late. Less than a third of them die in harness; and more than half live past seventy. It ill becomes a great denomination to let any faithful missionary suffer extreme want in old age.

The National Council's Ministerial Relief Fund, now \$113,000, furnishes an income of about \$5,000 which is distributed in little pensions of from \$25 to \$200 a year, to aged or disabled Congregational ministers and missionaries, and their families. In 1898, fifty-three persons or families received such aid. Within about a year, eight of our honored pensioners have been transferred at the ages of 72, 76, 78, 79, 79, 84, 88, and 91, to the Home of Perpetual Youth. All of them had rendered long and faithful, and some of them conspicuously efficient, service. A young home missionary's widow, out on the Pacific coast, bravely battling for bread for her four little children, gratefully writes of this work: "This kind action on your part has served to strengthen my faith in the loving Father's care of the widow and fatherless."

For fuller information, see Minutes of National Councils; write the Secretary for literature, free; invite him to address your church, conference, association, or Congregational Club. Give something for Ministerial Relief, State or National, every year.

Four distinct courses of study are now offered: First, the full Classical Course, including all the branches ordinarily taught in a Theological Seminary, and leading to the degree of Bachelor of Divinity; second, a Four Years Course, having a preparatory year for those who come with sufficient maturity, but without a full preparation, for theological studies, and including all the classical studies except Hebrew, the Old Testament being studied in English; third, an English Course of three years, replacing both Hebrew and Greek by English Bible study.

This would involve knowledge at the least of the Greek language, of Psychology, English Literature and Composition, History, and some branch of the Physical Sciences. Such applicants as have not received the normal preparation are received on probation.

All the courses of study are opened to women as well as to men.

Board may be had in the Students' Club at from \$2.00 to \$2.50 a week.

Help is granted from scholarships and to students of the Classical Course, from the American Education Society, as may be necessary, up to the ordinary limit of \$175. Systematic arrangements have been made, by which students may be employed in church and city missionary work, and so receive a part or the whole of the Seminary pecuniary aid as a compensation for present service, as well as in preparation for the future. Such work is under the direct personal supervision of the President.

FACILITIES.—A carefully selected and constantly increasing library (now numbering seven thousand volumes) is accessible to all students. No happier situation is known than that occupied by this Seminary. The climate is unequalled for stimulating qualities, for mildness, and for general fineness. It is favorable to study every month in the year. The location of the institution in the midst of the great metropolitan complex of San Francisco and its surrounding cities, its proximity to the University of California, its high standards, its organic association with the aggressive work of the Congregational churches of the vicinity and of the State, its affiliation with the Congregational ecclesiastical organizations of all the Pacific States, its missionary history, and the emphasis it lays upon the spiritual and practical, constitute its especial claims upon the attention of candidates for the ministry.

THE NEXT YEAR BEGINS Sept. 7, 1899. Address the President.

ADMISSION.—The Seminary is open to students of all denominations. Candidates for admission must have received a collegiate education, or an equivalent preparation. Students from other seminaries may be admitted by certificate.

TERMS AND VACATIONS.—The academic year begins the last Wednesday in September and closes the second Wednesday in May. There is a recess of two weeks at Christmas.

SITUATION.—The Seminary Buildings front Union Park. The location is quiet, but the centre of the city may be reached in ten minutes.

COURSE OF STUDY.—The Course of Study covers three years; the lectures are prescribed and elective. Each student is required to take fourteen lecture hours a week, ten prescribed and four elective. All graduates receive a diploma; special work is required for the degree of Bachelor of Divinity.

THE GERMAN AND THE SCANDINAVIAN DEPARTMENTS.—Students in these departments take part of the Course in the English language, according to their grade of preparation, that they may be able to preach also in English. They are, however, excused from most English studies, in place of which they have such studies in their own native languages as are best adapted to prepare them to minister to our German or Scandinavian fellow-citizens.

EXAMINATIONS.—In each year there are public examinations, oral and written, of all the classes.

The Alumni Institute is held in the anniversary week in May.

HAMMOND LIBRARY.—This contains the GENERAL and the REFERENCE LIBRARY with over 19,000 volumes, which is arranged in six rooms according to subjects. These sub-departments are furnished with the best helps for students, and are open daily. The students have easy access, also, to the public libraries of Chicago, some of which are among the best endowed and equipped in the country.

EXPENSES.—No charges are made for instruction, or for the use of Hammond Library. Furnished rooms are drawn in the treasurer's office on the first day of the fall term at 10 A. M. The following charges are made for the occupancy of rooms in the Seminary buildings: \$1.00 a week for rooms occupied by two students; \$1.25 for rooms alone. Good board can be had in private families in the neighborhood of the Seminary for \$2.50 or \$3.00 a week.

FINANCIAL AID.—Aid not to exceed \$100 will be furnished to a limited number of students who need it: 1st. As compensation for mission work; 2d. As loans without interest payable in instalments of \$25 each year after graduation. This aid is in addition to any appropriations that may be made by the Congregational Education Society.

THE SEMINARY aims (1) to develop a vigorous spiritual life as the only sound basis for scholarship and service, (2) to train in scientific methods of exegetical and historical research, (3) to discover the truth of God as revealed in the Scriptures, and the leading of his Spirit in history, in order to apply that truth in the realms of thought and endeavor, so as to meet the present needs of the world and promote the spread of his Kingdom.

INSTRUCTION is carried on by a large corps of professors whose fields are carefully defined and adjusted in their scientific relations. Emphasis is laid upon a close personal relation between instructor and pupil. About two thirds of the course are prescribed, and one third is to be selected from a list of about one hundred electives, offered in all the departments. Special efforts are made to explain the interrelations of the numerous subjects properly belonging under the head of theological science, and to afford the opportunity of prosecuting study in any one of them. In each department the purpose is to use only the most scientific methods, both old and new. In the field of pastoral discipline extensive work is expected in preaching, in every variety of evangelistic and charitable organization, and in personal religious effort. Systematic instruction is given in singing and in elocution. Optional instruction is provided in German. Special and advanced courses are open to those who desire them. Two fellowships (each for two years) for foreign study and five prizes are offered.

The degree of B. D., is conferred on those who complete, with credit, the three-years course.

THE APPARATUS includes a rapidly increasing library of over 70,000 volumes, containing several unique special collections, to which students have access day and evening, museum and reading-room, gymnasium, music-room, etc.

TERMS OF ADMISSION.—Candidates for admission must be members of some Christian Church and graduates of some college. Those who are not college graduates may, after examination, be admitted *on probation* during the first term.

All courses are open to *women* on the same terms as to men.

EXPENSES.—No charge is made for tuition, rooms, furniture and bedding, or use of the library and apparatus, except a nominal fee of \$20 for use of steam and supervision. Board is provided at the Seminary under the care of the Students' Association, at \$3.50 per week.

Scholarship aid is provided for those needing it, in addition to the grant from the Education Society.

CALENDAR.—The sixty-sixth year begins on Sept. 27, 1899, and closes on May 30, 1900. The various courses are arranged in three terms. Examinations are held at the close of each subject or principal topic.

The Seminary is open to students of all denominations. It has a full corps of Professors of its own and offers its students all the work essential to a theological training. In addition students are admitted to the College classes without charge. Upon college graduates who complete the Classical Course, the Academic Degree of Bachelor of Divinity is conferred. Those who are not college graduates, but who have had the equivalent of a college course, may also receive this degree upon the completion of the Classical Course, by fulfilling certain additional requirements.

CLASSICAL COURSE. — The minimum requirement for all candidates for a degree is 1,440 hours of lectures and recitations. The most essential courses of each department are required; this work amounts to 817 hours. Hebrew being elective, the required amount of work in the Old Testament department may be done either in Hebrew Exegesis or in Introduction, Biblical Theology and Exegesis of the English Old Testament. In addition to the required work, a large number of elective courses is offered, aggregating 1,538 hours, from which each student elects at least 623 hours. These courses cover a large range of more advanced work in the several departments.

There are in the ministry many who have not received adequate training for it and who soon discover their need of theological study. The reasonable requirements for admission to the regular courses of theology place such training beyond the reach of many men of this class. In the interest of a better educated ministry the Seminary offers its advantages to a limited number of ordained ministers who have already held a pastorate, and who wish to enter upon theological studies for not less than a full year. They may enter such courses as they are prepared to pursue with profit, and will be given certificates for all work completed. An early application to the secretary of the Faculty for admission to the Seminary on this basis is imperative.

SLAVIC DEPARTMENT. — The object of this department is to train up pastors for the Slavic immigrants to this country. Thorough instruction is given in the Bohemian language. The course of study varies to suit the needs of individuals, and culminates in the regular Classical Course.

SPEAR LIBRARY contains about forty-eight thousand volumes.

EXPENSES. — Council Hall, the Seminary building, has fully furnished rooms with hot water heat for fifty students. Those rooming here pay a moderate incidental fee, varying according to location of room. Other students pay a fee of \$5. Aside from this fee there is no charge made by the Seminary. The price of board in Oberlin is from \$2.00 to \$3.00 a week. Other expenses are correspondingly low.

Pecuniary aid is granted to those who need it, from the Congregational Education Society, and from Seminary scholarship funds. The amount ordinarily received from each is \$75. There has generally been abundant opportunity for work in Home Missionary fields and elsewhere during the summer vacation of four months, and occasional preaching for remuneration is possible during term time.

The year of study consists of thirty-two weeks in two semesters. The next year begins Wednesday, Sept. 20, 1899. For further information address Prof. E. I. BOSWORTH.

RELATION TO THE UNIVERSITY. — The Divinity School is one of the Departments of Yale University. Its members receive from the Corporation, on completing their three-years course of study, the degree of B. D. They have access to the public collections of the University, such as the Library, the Peabody Museum, and the collection of paintings and statuary in the School of Fine Arts. They are permitted to attend free of expense, so far as will not conflict with their professional studies, the lectures and recitations in the College and the Sheffield Scientific School, and, if expecting to become foreign missionaries, those of the Medical Department.

COURSE OF STUDY. — The first year is devoted chiefly to Hebrew and the Exegesis of the Greek New Testament; the second year to Systematic Theology, Church History, Old Testament Biblical Theology, and Church Polity; the third year to Sacred Rhetoric, the History of Christian Doctrine, New Testament Biblical Theology, and Social Ethics. Additional lectures on Preaching and other important subjects are delivered before all the classes by eminent ministers and scholars from this country and Europe. There are also optional classes in German, Syriac, Chaldee, Arabic, and Assyrian. Once a week there is a Rhetorical Exercise for all the classes. Instruction in Vocal Culture and Elocution, and also in Sacred Music, if desired, is continued through the entire course.

GRADUATE OR FOURTH-YEAR CLASS. — Students of approved scholarship who have completed a three-years course of theological study, here or elsewhere, are admitted to the Graduate Class, in which advanced studies in Theology are pursued under the direction of the Professors. Scholarship aid, to a limited amount, will, at the discretion of the Faculty, be given to men of superior scholarship.

THE GRADUATE FELLOWSHIP, for the encouragement of further theological study in this country or abroad, the income of which is \$500 for one year after graduation, is offered to the class entering in September, 1899.

EXPENSES. — There is no charge for instruction, use of libraries, or room rent. The rooms, which will accommodate one hundred and fifty students, are designed in general for only one occupant. Each room has a bedroom attached, and is carpeted and furnished with all needful furniture except bed clothing. The chief expenses of the session are, for board, \$3.00 to \$4.00 a week; fuel and light, \$25 to \$30; and \$15 a year for care of room and incidental expenses.

SCHOLARSHIP FUNDS AND OTHER AIDS. — Students whose circumstances require it are aided to the amount of \$100 a year, from the income of scholarship funds. Besides this assistance, ten special scholarships of \$50 each are assigned to those members of the Junior Class who maintain the highest standing in the studies of the year. Additional aid is offered by the Congregational Education Society to approved students who are members of Congregational churches.

COMMENCEMENT OF THE TERM. — The next term of study will begin on Thursday, Sept. 28, 1899, and continue until the third Wednesday in May (anniversary), when the vacation of four months, in which the students have the opportunity to engage in some form of remunerative labor, will commence.

APPLICATION FOR ADMISSION. — The Seminary is open on equal terms to students of all Christian denominations. Applications for admission, or for the annual catalogue containing further information, may be made to Prof. GEORGE B. STEVENS, *New Haven, Conn.*, or to any other member of the Faculty.

PACIFIC THEOLOGICAL SEMINARY, OAKLAND, CAL.

After page 57 was printed, the following important announcement was received from Pacific Seminary, and is given place here:—

REMOVAL.—The Seminary is about to remove to Berkeley, the seat of the University of California, in order to avail itself of the advantages offered by that institution.

ADMISSION.—The Seminary is open to students of every Christian denomination, to women as well as to men. Applicants should present certificates of membership in some church, and recommendations as suitable candidates for the ministry from responsible and qualified persons. For admission to the Three Years' Course, Senior standing in the University of California, or its strict equivalent, will be required. Applicants not having this standing can pursue their studies in the University under the care of the Faculty of the Seminary, if they have attained Junior standing, or its strict equivalent. Preparation must include some generous amount of scientific and English study, with the acquired facility of easy English composition, and, in most cases, Greek. Deficiencies in these may be made up in the University. Hebrew will be entirely elective. In some cases, for good reasons, a student will be allowed to omit Greek also, and will receive an English diploma; but the quality and quantity of work required for this will fall in no respect short of that required for the degree of B. D., which will be given after the completion of the course and special examination.

ADVANTAGES.—The student will share in the advantage of constant contact with a large student body in one of the principal universities of the land. The scholarly standard of the Seminary will be the same as that of the University. Libraries of more than one hundred thousand volumes in the aggregate, museums, and laboratories will be accessible for consultation and use. The curriculum has been modified essentially to meet what are believed to be the demands of the opening century. The climate is unequalled for stimulating qualities, for mildness, and for general fitness. It is favorable for study every month in the year, having no debilitating springs or prostrating summer heats.

THE NEXT YEAR BEGINS Aug. 15, 1899.

Address the President, Rev. JOHN K. McLEAN, at Oakland, Cal.

COLLEGE EDUCATION OF THE UNDERGRADUATE STUDENTS.

In this table, a number in parentheses denotes that that number, although once connected with the college mentioned, did not complete the course. The figures not in parentheses denote graduates of the college mentioned.

a These special students at Chicago are ranked, 22 with the Senior, 24 with the Middle, and 10 with the Junior classes; 17 in the German, 12 in the Danco-Norwegian, and 27 in the Swedish departments.

b The special students at Oberlin are in the Slavic department.

NOTE.—If the Advanced or Graduate classes were included among the students as well as the undergraduates, the totals would be increased to 408.

CONGREGATIONAL HOUSE. BOSTON. MASS.

THE ANNUAL STATISTICS OF THE CHURCHES AND MINISTERS.

THE following pages contain the statistics as collected in 1899 by the statistical secretaries of the several State organizations, and compiled for this publication by the secretary of the National Council, under vote of the publishing committee. They are all of date 1 Jan., 1899, except that ministerial supply is, as far as possible, brought down to date.

The secretary, as heretofore, in no case presumes to insert or omit the name of church or minister on any authority but that of the State secretaries representing their own organizations, or of councils subsequent to the date of annual reports.

The contents of the statistics are as follows:—

1. The statistics of the churches and their ministers, by States.
2. Statistics of Sunday schools, independent and missionary.
3. List of Congregational ministers in foreign lands.
4. The National, State, and local organizations of the churches, with officers, and dates of next sessions in 1899-1900.
5. General summary tables for the year.
6. Tables of summaries, 1858-98.
7. Remarks upon the statistics.
8. Alphabetical list of ministers, with P. O. address, and indexed to pages.
9. Alphabetical list of licentiates.
10. List of ministers of other denominations supplying Congregational churches.

RULES OF COMPILATION.

1. To arrange in alphabetical order everything capable of it; except that the churches in any one town or city arranged, as they should be, under the name of that town or city, are placed according to age.

2. To make *new tables* each year. "Last year's report" (if known to be such) is always omitted. But, while old reports are not to be inserted in the table, the aggregate of such last reports from churches failing to report, in the items of church and Sunday-school membership, are included in the summaries. Justice to the churches which do report requires this, as their real progress may be apparently diminished or reversed, by lack of the figures from their less faithful neighbors. The special attention of State secretaries is called to this point, as it has often been disregarded. The list of churches of this year is compared, name by name, with that of last year, and all variations which change the place of the church on the list are specifically mentioned with the State summary, so that each church can be traced from year to year.

3. To examine carefully all the tables, with a view to *correction or addition* by correspondence, especially to correct "pastoral supply" to the latest moment. Proof sheets have been sent to secretaries and some home-missionary superintendents who could be reached in season. But no such changes have been allowed to affect the summaries.

4. The prime name in a table line is always supposed to be the name of the *place*, town or city, in which the church is located, as determined by the place of the meeting-house. This is also the name of its post-office, unless followed in line or margin by a name in **heavy-faced** type. In such cases the latter is the post-office, and **THIS EMPHATIC TYPE IN LINE OR MARGIN, IS USED EXCLUSIVELY FOR NAMES OF**

POST-OFFICES. If this postal word is an adjective, it goes with the preceding name, *e. g.*, "Newton West"; if itself a name, it supersedes the other, as "Newton, Auburndale." Postal designations are not repeated on the second page, and special church names are sometimes given in the second page line, for which there was not room in the first. In general, the two pages, being invariably opposite, are treated as one, and marginal references on the second page are made to foot-notes on the first, without repetition when they occur there.

MINOR EXPLANATIONS.

1. Any church given in brackets is one organized since January 1st; not included in the summary, but inserted for information. A few churches temporarily not associated are inserted by their own wish. A star (*) denotes churches not associated, except in California, where it marks the churches in Southern California.

2. Pastors installed or recognized by council are marked "*p. c.*"; pastors duly called by their churches and recognized by some "definite act of the church," but not by council, are marked "*p.*"; others in service are not marked, but in tabular summaries are counted as "supplies." Blanks in the column of pastoral supply, meaning *no* regularly engaged minister, are left blank for the convenience of those who note pastoral changes.

3. The tables are *not* a postal guide to the addresses of ministers, and any person so using them runs his own risk of error. The General Alphabetical List of Ministers gives their post-offices. Special attention is called to this fact, which is often overlooked.

4. The two columns following the names of ministers in the tables of churches denote (1) the year of ordination, (2) the year when the minister was installed, or commenced service with that church.

5. A star (*) in the General Alphabetical List of Ministers denotes that the person so designated appears in the tables, reported by some church, as its minister, but is not reported to be a member of *any* association or conference of ministers or churches in the United States; or that he is found supplying some church, or did so as pastor by council last year and may be presumed to be *in transitu*, though his name is not in the State alphabetical list.

6. Licentiates are not reckoned as ministers. Churches supplied by such, or by ministers of other denominations, are reckoned as vacant; but the number of such churches is given in the Summary Tables. No ministers of other denominations (if so known) are inserted in the General Alphabetical List.

7. The names of some Congregational ministers are missing; but it is solely because they are not reported by any organization of churches or ministers.

8. Under "Church Members," "Absent" are included in "Males," "Females," and "Total." Under the head of "Removed," "Died," "Letter," and "Discipline" are represented by the abbreviations.

9. Blanks in any column of figures are such as were so left in the State Minutes. They ought always to signify "no report," but some States do not follow the proper rule of inserting a cipher where "none" is meant, and the examiner must conjecture, in any given case, whether "none" or "no report" is intended. In our General Summaries, a blank invariably signifies "no report."

Students of this table should remember that 1887 was a transition year. The reports from different States covered various periods from one to two years, to bring them down to the common date, Jan. 1, as ordered by the Council. For all New England, except Maine, two years are included, and the average for the whole country is 20 months. Hence the totals reported need to be reduced by two fifths for just comparison with other years. This would make the gain of members, 12,723; in Sunday schools, 17,822; and infant baptisms, 7,176.

LIST OF CONGREGATIONAL MINISTERS IN THE UNITED STATES.

REPORTED BY THE SEVERAL STATE ORGANIZATIONS.

The following is a compilation of the alphabetical lists furnished by the State Associations and Conferences, corrected by correspondence with their secretaries to the latest possible date. The secretary of the Council in no case presumes to insert or omit a name upon his own responsibility. The State organizations (or later compiles) are alone responsible; but the secretary has used his utmost endeavors to obtain a complete and correct list. If any names are omitted, it is because they are not reported by any organization in any State, or a conflict of reports leaves the editor in doubt of the facts.

The figures refer to pages where the name will be found in the tables, in the Vital Statistics, in the service of the Benevolent Societies, of the Theological Seminaries, in the list of foreign missionaries. In some cases the page is left as in tables, when the post-office is changed since the tables were put to press.

Names starred (*) are of persons who, although mentioned (usually as supplying churches), are not reported as members of any organization of Congregational churches or ministers. A few names are also retained with a * of those who were in active service last year, and may be presumed to be *in transitu*. Such names are not continued a second year, without specific report.

Some post-office addresses are antiquated, but the best possible has been done.

Licentiates are not included in this list, but a list of licentiates follows this, and a list of ministers of other denominations, including also names of those whose position is not reported.

Names of persons in last year's list, deceased since the issue of 1898, are retained, and are indexed to the pages of the "Vital Statistics" when found there.

Some errors will be found in first names, initials, and spelling. No pains have been spared to secure accuracy; but, effort failing, the compiler has not ventured to follow even his own convictions, against the unmistakable testimony of the reports.

Names differing only in a single letter and pronounced alike are treated as one name, but spelled according to report. Browne, Clarke, Curtiss, Griffith, etc., and names beginning with Mac, or Mc, are among this number. Names beginning with Mc, or St, are arranged as if the word was not abbreviated.

Names of ministers without pastoral charge, as they do not occur in the preceding tables, have no numerical page reference, and in place of it the year of ordination is given.

Names of persons employed in instruction in schools and colleges are indicated by *pr.*, president or principal, and *pf.*, professor.

LIST OF LICENTIATES REPORTED.

This list contains the names of those apparently reported as under care, with references to the pages where any such are mentioned as supplying churches. It includes also some names starred (*), which denotes that these persons, while reported as supplying churches, are not reported to be appreciated by, or under the care of, any Congregational organization.

Further. 1. This list does not agree with the number given in State Minutes, because all ordained since the lists were reported are here dropped. 2. The post-office addresses are often delusive, the place being that of temporary service only. 3. Names followed by State only are of persons approved in the State mentioned, no residence being reported. 4. The list is incomplete, because some States make no full report of licentiates. 5. The contracted name of a State in brackets means that the name was reported by that State, although the person may reside elsewhere.

RIDGE'S FOOD for INFANTS AND INVALIDS

Is without doubt the very best of the many foods now in the market. Its great popularity is due to its intrinsic worth, as by observing "Special Directions" the feeblest infant can be nourished without distress. It is Always Reliable and Recommended by Physicians as the most perfect substitute for mothers' milk: a sure preventive for cholera infantum, and valuable for dyspeptics and convalescents.

The MASS. MEDICAL JOURNAL says, "The future has yet to produce a better food than Ridge's."

RIDGE'S FOOD for the baby, for the weak and infirm, for the sick room. Easy to fix, quickly digested.

RIDGE'S FOOD was saving babies' lives when you were a baby. It is still doing it.

THE CONGREGATIONALIST

Read, appreciated, quoted, respected in all sections of the country, because it is considered

The Leading Denominational Paper in America.

As such it aims to give voice to, and shape the opinion of, the six hundred thousand Christians whom it represents; to furnish them every week with a bird's-eye view of the life and work of their churches, and of their missionary enterprises; to discuss candidly and thoroughly their theology, polity and their relations to one another and to other bodies of Christians; to bring before them the inspiring facts of their history and their leaders. THE CONGREGATIONALIST is also

A Religious Family Paper of the First Rank.

As such it sweeps the horizon to discern every token of the advance of the kingdom of God.

Follows carefully the course of each week's political, industrial and social developments; compasses the many fields of current literature; sets a rich and varied table for the family; entertains and refreshes with bright, wholesome stories; feeds the devotional life; converses with and instructs the children and the growing boys and girls.

One year, \$3; two years, \$5; five years, \$10.00.
